

ПРОФИЛ АУТОПУТА М21 ПОРЕД РУМСКЕ ПЕТЉЕ
КМ 36+200(према Ген.пројекту Аутопута Н.Сад-Лозница)

Diagram illustrating the cross-section profile of the M21 highway near the Rumska Petlja, showing the road layout, control zones, and dimensions.

Key Features and Dimensions:

- Control Zones (појас контролисане градње):** 40.0 m on both sides of the road.
- Protective Belt (заштитни појас):** 40.0 m on both sides of the road.
- Greening (зеленило):** Indicated by green tree symbols.
- Road Structure:**
 - Косина (Slope):** 1.0 m on both sides.
 - Банкина (Shoulder):** 1.8 m on both sides.
 - Коловозна трака (Lane):** 7.7 m on both sides.
 - Оса (Centerline):** 2.0 m on both sides.
 - Разделна трака (Separation Lane):** 3.0 m on both sides.
 - Пост. пута (Stationing):** 7.7 m on both sides.
 - Коловозна трака (Lane):** 1.5 m on both sides.
 - Банкина (Shoulder):** 1.8 m on both sides.
 - Косина (Slope):** 1.0 m on both sides.
- Dimensions:**
 - 186.1 m (Total width of the road structure)
 - 97.0 m (Total width of the control zone)
 - 16.0 m (Width of the separation lane)

Orientation: ИСТОК (East) on the left, ЗАПАД (West) on the right.

Technical drawing of a road cross-section (Figure 1.10). The drawing shows a 25.0m wide road with a central red line labeled "коловозна трака" and "оса" (axis). On either side of the road are green areas labeled "зеленило" (greenery) and blue areas labeled "защитна банка" (protective bank). The drawing includes various dimensions: 1.5m for the outermost blue areas, 4.0m for the green areas, 1.5m for the inner blue areas, and 3.5m for the road width. Elevation markers are shown on the left and right sides, ranging from 0.32 to 0.39. The drawing is labeled "регулациона линија" (regulation line) at the top and bottom.

Technical cross-section diagram of a railway track. The diagram shows a green track bed with a central red section labeled "коловозна трака пута" (track bed) and "коловозна трака" (track bed). The track is flanked by "радно-инспекцијска стаза" (working and inspection path) on both sides. A "канал" (channel) is shown on the left. The track is bordered by "регулациона линија" (regulation line) and "зеленило" (greenery). Dimensions are given in meters: 5.0, 6.5, 6.5, 5.0, 1.0, 7.0, 7.5, 1.5. Elevation points are marked: +0.08, +0.00, +0.08, +0.20, +0.25. A total length of 41.4 is indicated.
